The Falcon Music Newsletter

Fall 2013

Dear Fulton Students and Parents,

Hello and welcome to the 2013-2014 school year! As many of you know, my name is Mr. Katz and I am the new music teacher at Fulton Middle School. I would like to welcome all the new and returning music students. We are getting ready for an exciting school year of learning, music, and fun! With the new school year comes changes for the Fulton Music Program. Music classes have been put back into the regular school day as electives for the first time in many years. While this will improve the overall learning experience for students, there will be a few kinks to iron out during the first year.

As you know, your students are eager to get started playing their instruments, and I am here to assist you during the process of finding the right instrument for your student. As a service to you, FVSD middle school music teachers are partnering with Music and Arts music stores for an event we call **Rental Night: Monday, September 16 @ 6:30 PM in the Media Center at Masuda Middle School.** Rental Night is for all FVSD middle school music students and parents interested in renting or buying an instrument for this school year. Of course, *you are not required to rent or buy an instrument*, but this will save you time and money driving around town searching for the right supplies for music class. That's why we put together this special event for your convenience. It's a one-stop shop for parents and students to get information about renting and/or buying musical instruments for participation in school band or orchestra. A representative from Music and Arts will be there to answer all your questions, so if you think you may want to rent or buy an instrument this year, come prepared with credit/debit card or checkbook to take advantage of this opportunity.

Announcing a new website for the Fulton Music Program! I'd like to encourage all of you to visit the website throughout the school year for information on class materials, assignments, performance dates, resources, and other fun music-related links. FultonMSmusic.weebly.com

Once again, I welcome all of you to a great year of music at Fulton. I look forward to seeing many of you at our Rental Night, September 16 @ 6:30pm, at Masuda Middle School!
